Cultural Resources Standard Lease Stipulations for Grazing Leases

Cultural Resources: Management Actions Common to All Alternatives

This lease may be found to contain historic properties and/or resources protected under the National Historic Preservation Act (NHPA), American Indian Religious Freedom Act, Native American Graves Protection and Repatriation Act, E.O. 13007, or other statutes and executive orders. The BLM will not approve any ground disturbing activities that may affect any such properties or resources until it completes its obligations (e.g., State Historic Preservation Officer (SHPO) and tribal consultation) under applicable requirements of the NHPA and other authorities. The BLM may require modification to exploration or development proposals to protect such properties, or disapprove any activity that is likely to result in adverse effects that cannot be successfully avoided, minimized or mitigated.

Stipulation for Cultural Resource Protection

“The lease holder is not allowed to collect or give others permission to collect historic or prehistoric artifacts on Public Lands. An artifact is any human-made object or object used in its natural state by humans, which is at least 50 years old. The unauthorized collecting of prehistoric and historic artifacts on public lands is punishable under Federal law. If you observe individuals collecting artifacts, immediately notify the authorized BLM official.”
